Congratulations to the Class of 2023 Missouri Veterans' Hall of Fame Inductees! The Missouri Veterans' Hall of Fame was organized to honor those who have honorably served in the US Armed Forces, and have contributed exceptionally to community, state and/or nation. You can learn more about the Missouri Veterans Hall of Fame by following us on Facebook.

Your Class will be first introduced at the State Fair on Military Appreciation Day (August 13th). A formal ceremony will be held on October 27, 2023 at the Missouri Capitol. There will be a reception - lunch or hors d'oeuvres followed by the ceremony. We will keep you posted on the specific details.

Between now and the State Fair, I will be reaching out to you to develop a bio that can be used in our Press Release, the Program and the Ceremony. I will also need a photo - head shot - that you would like us to use for the program and Facebook.

I have bcc'd this group but I would like to share your contact info with the other Inductees. Please let me know if that is okay.

Again, we are honored to celebrate your service to your country and your communities. If you have any questions, please do not hesitate to contact me.

CASSIE A. STROM, President
Missouri Veterans' Hall of Fame
Cell: 314.323.5042
